PARTNER GUIDE

WORKING WITH REAL ESTATE BLINDS

A straightforward process for quoting, approvals, access and installation.

From the first request to the final installation

One clear process, with the property manager kept informed throughout.

01 REQUEST & SCOPE

Send the property address, room or window details, photos if available, access contact and required timing.

02 MEASURE & QUOTE

We confirm the job details, measure where needed and provide a clear recommendation and quote for approval.

03 APPROVE & SCHEDULE

Once approved, we coordinate access and timing with the property team and arrange installation.

04 INSTALL & CLOSE

We complete the work, check the fittings and provide completion and care information for the property record.

BUILT FOR PROPERTY TEAMS

Clear job details, timely approvals and coordinated access help keep owners, tenants and managers aligned.

What a partner says

> "Real Estate Blinds makes every job straightforward—from the first request to the final installation. Communication is great and our tenants are happy."
